HOLD UP YOUR END!

The picture on the front page, contributed by John Cassel, is worthy of your thought. It brings home to you just exactly what you are to do here. It shows that no matter how many American women are willing to give their lives as a sacrifice in this world struggle, they can do nothing if we do not help with our money. They can carry only one end of the stretcher—we MUST carry the other end! Are you helping?

Tonight at the Tropic Playgrounds you will be given an opportunity to do two things at one time—have one of the best times you ever had, and to do your share in helping to "Hold Up Your End." Tonight there will be hundreds of people at the Playgrounds to participate in a fun feast, which will be the largest and greatest one of the season in this community. There will be means for entertaining everyone who comes, no matter what their age, sex or fancies may be. There will be dancing on a large tennis court, all kinds of "side shows" where you can be entertained for a few minutes, a number of concessions, among them being one called "Swat The Kaiser," and everybody will want to do that. There will be the tooting and blowing of horns, toy balloons will be floating on the breezes, and young men will throw handfuls of confetti

into the faces of laughing girls; in fact, there will be nothing lacking in giving YOU a good time.

You will have to pay for this good time—just the same as you would if you went any where else. But here's the difference. All the money taken in—every cent of it—goes to the Red Cross, the mightiest and noblest of all charities. There is no red tape to it, there are no high salaries to be paid—every penny of it is for this grand organization. The Red Cross needs money for hospitals, medicines, ambulances, bandages, stretchers, and for everything that suffering humanity needs. It serves no flag but its own, but it serves to all in need.

So tonight, when you go down to the Tropic Playgrounds, take some money with you, and be sure you spend it. Don't be a bit backward about it either, but spend it freely, and for every cent you spend you will receive double value. Everything that has been done for this carnival has been donated; a large number of men and women have worked several weeks without receiving anything for their time, in order that you may enjoy yourself. Show your appreciation of their work. You may have a son, brother, husband or a sweetheart in the army, and if he is not already "over there" he will soon be there,

and if he should get wounded, the money you spend tonight may make it possible for that "dear one" to have a nice clean cot to lie on, and a sweet girl from home beside it to comfort him.

Tonight there will be thousands of "Our Boys" in the darkness and cold of water-soaked trenches, and their thoughts will turn back to the homes they left behind. Tonight, you, back here in the peace and safety of those homes can help them. It is a privilege and an honor to do so.

So, come and spend your money tonight.

And have a good time, too.

CHANGING STREET NAMES

The City Trustees at their meeting a week ago last night, made an excellent start in re-naming some of our city streets and they are to be commended for the reasonable and conservative manner in which they have acted.

They have wisely ignored the report and recommendation of Ex-Mayor Thompson's naming committee, and have only made changes where it was made absolutely necessary, either caused by the same street having different names in different localities, or when two streets had the same

or similar names, and the numbered streets which must be necessarily changed when Brand Boulevard and Broadway is made the starting point in re-numbering the residences and business houses.

The changes adopted last week were as follows: Blanche Avenue and Damasco Court, changed to Maryland Avenue; Oakwood Avenue to Monterey Road; that little part of Central Avenue which runs between the San Fernando Road and the S. P. tracks changed to Eulalia Street; and Tropic Avenue to Los Felis Road.

The other streets whose names were changed appear in our council proceedings of this week.

ANOTHER ELECTION TO BE CALLED

The City Trustees have passed an ordinance declaring it their intention to call an election in "Municipal Improvement District No. 2" (Tropico) on Tuesday, June 4, 1918, for the purpose of voting on the question of bonding that district for the purpose of buying the electric system, now in operation here.

The sum of forty three thousand six hundred dollars is stated to be the estimated cost of the system, and four hundred dollars the incidental expense of acquiring it.

Any protests against this action may be made on to the Board of Trustee at their regular meeting in the City Hall on Thursday evening, May 23rd. Said protest must be filed with the City Clerk at or before such time of meeting.

MEMORIAL DAY ON THURSDAY, MAY 30

The significance of the naval memorial services at Venice this year will be marked, owing to the worldwide war that our country is now engaged in, and the program of previous years will be enlarged upon. It is planned to get the boys from the submarine base with their crack military band, the old soldiers from the Sawtelle home, the local civic and social organizations, the school children, the local members of the Red Cross and their auxiliaries to take part in the morning parade and in the services to be held at the Auditorium.

Judge Thomas White, Attorney Frank Dominguez and Glenn McWilliams, secretary to Mayor Woodman, will be the orators of the day, while an appropriate musical program, with several opera stars will intermingle with the speeches.

Following the services thousands of flowers will be scattered upon the sea, with aeroplanes flying overhead and the naval ritualistic services being held in honor of our departed sea heroes, while the big guns boom the salute of honor.

J. A. McCOLLUM KILLS DAUGHTER, THEN COMMITS SUICIDE

J. A. McCollum, of 115 Orange Street, early Wednesday shot and killed his sixteen year old daughter, Annie, and then blew out his own brains at his home. Both died instantly.

It is thought that despondency over the illness of his wife is responsible for his act. According to Mrs. A. J. Miller, the nurse who is attending Mrs. McCollum, the daughter, Annie, got up early Wednesday morning and went to the room of her mother to see how she was, and then went back to bed. A little later, about 6:30 o'clock, Mr. McCollum rose and dressed, and taking a revolver went into his daughter's room, and shot the sleeping girl twice, through the head and breast. He then turned and went to a corner of the room where he had been sleeping and turned the gun on himself. Both died instantly.

Mr. McCollum was forty-eight years of age, and came to Glendale about a year ago from Tennessee for his wife's health, who has been an invalid for some time. His daughter, Annie, was sixteen years of age, and was a student in the Sophomore class of the Union High School.

S. L. BORTHICK PASSES AWAY

Samuel Littleton Borthick passed away Monday night at his home 1308 West Seventh Street, after a long illness. He was eighty years of age the 18th day of last December, and was born in Johnson County, Mo. He

came to Glendale twenty-two years ago, and has been engaged in the real estate business. He was a member of the Christian Church for fifty years, and also was a Master Mason.

Mr. Borthick is survived by eight children, who are: W. O. Borthick, R. A. Borthick, Miss Fredonia Borthick, and Mrs. E. K. Daniels, all of Glendale; F. F. Borthick, of San Francisco, Mrs. George Byram of Merced, Mrs. L. H. Bowen of Modesto, and Mrs. Ira Tucker of San Dimas. He also leaves two brothers, W. E. Borthick of Glendale and Clay Borthick of Missouri.

Funeral services were held Wednesday afternoon at the Central Christian Church, Rev. C. A. Cole officiating. Interment was made in Forest Lawn Memorial Park.

THE "CALIFORNIANS"

The first issue of the first Glendale paper for State-wide circulation will be published in June.

It will be the Glendale Souvenir printed on California-gold colored bond paper.

Many Glendalians will send copies to Eastern friends not only as a creditable advertisement of "Glendale the Beautiful" but also as a compliment to its editor, Walt Le Noir Church in appreciation of his services to Glendale while secretary-manager of the Glendale Chamber of Commerce.

"The Explosion" the High School paper was put out this week double the usual size. It made a wonderful difference in the looks of the paper.

W. E. HEALD AND PARTY MOTORS TO SAN PEDRO

Mr. and Mrs. W. E. Heald, accompanied by their son, Willis, and Mr. Heald's sister, Miss Millie Heald, and Mrs. Wertz, motored to San Pedro Saturday afternoon to bid farewell to their son, D. Ellsworth Heald, who is in the 53rd Headquarter Supply company, Ammunition Trains, which left Fort MacArthur for an unknown destination. They were allowed to visit with each other only thirty minutes, and then bade each other good-bye.

While at the Fort that afternoon Mr. Heald had the pleasure of meeting Captain F. A. Hanna, whose parents are old friends of Mr. Heald's, he having known them in Missouri before Captain Hanna was born. Mr. Heald and the party were shown all over the Fort by Captain Hanna, who acted as a guide for them, thus seeing a good many things the ordinary person is not allowed to see, one of them being the guns at the Fort. Afterwards Captain Hanna invited the party to be his guests at a dinner, and a very enjoyable evening was spent.

Save Wheat

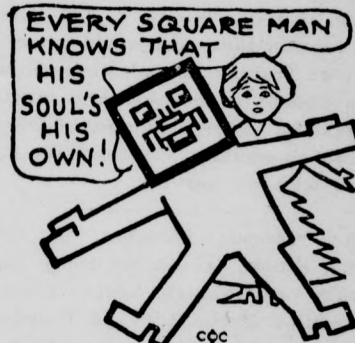

Wheat saving is America's most vital food problem.

The United States Food Administration, in view of the critical wheat shortage, asks every Californian to observe the following amended rules:

Make every meal every day a "wheatless" meal. Eat no food of any kind containing wheat or wheat products unless absolutely necessary for health.

Substitute fresh and cured meats of all kinds, including pork, potatoes, fresh vegetables, fruits, dairy products and other cereals, such as corn and rice.

The "meatless" and "porkless" days have been suspended.

FAIR AND SQUARE

EVERY man whose appetite is in working order and whose actions are on friendly terms with his intentions, can really call his soul his own. A man's health has a lot to do with his disposition, and the quality of the food he eats has a lot to do with his health. See the pure food arguments we've cooked up for this grocery store,

LOCAL HAPPENNINGS

Mr. and Mrs. A. Stephenson, of Central Aenue, received some good news Wednesday morning, which was to the effect that their son, Dwight Stephenson, who is in the Medical Detachment at Camp Kearney, had passed the examinations and would enter the Officers Training School, where he will be a student for the next three months. Dwight has a large number of friends in this community who share the good news with his parents.

Mrs. Thomas Meagher, of West Tenth Street, had as her house guest during the Epworth League Convention, Miss Marie Ruby, of Pasadena.

Mrs. Leroy Blair, of Gardena Avenue, left last week for San Pedro, where she will spend the summer.

The Thursday Afternoon Club met Thursday afternoon at the home of Mrs. Grace Webster, of Blanche Avenue.

The Local Exemption Board sent two men from this district this week. They entrained in Los Angeles, Wednesday afternoon, for San Antonio, Texas. The men sent were Jesse Smith, formerly proprietor of the Ford Agency in Glendale, and Wendell E. Larsen, of San Fernando. They will go from San Antonio to Hancock, Georgia, to attend a school of ordnance instruction.

Mrs. Edgar Fry, of Cerritos Avenue, has been visiting this week in San Pedro, being the guest at the home of one of the Y. M. C. A. secretaries who is associated with Mr. Fry in the work there.

Mrs. J. F. Stadler and Mr. and Mrs. H. J. Stadler, and daughter Marian, of the Atwater Tract, visited Hemet and San Jacinto, on Monday and Tuesday of this week.

J. Allen Bullis, brother of Wesley Bullis of Central Avenue, was one of the boys in Company C, 53rd Ammunition Trains at San Pedro, which left

Fort MacArthur Monday for an unknown destination. It is probable that the company is on their way to France.

The Woman's Foreign Missionary Society of the Methodist church held a largely attended meeting on Friday afternoon at the home of Mrs. P. O. Lucas. The program was very interesting. Mr. Taylor conducted the Devotional Exercises, Mrs. Penniman gave an excellent reading, and Rev. B. C. Corey gave a review of the Study Book. Mrs. George Herald favored the audience with a beautiful vocal solo. The resignation of Mrs. Thomas Meagher as president of the Society was received with regret, and Miss Adda Burch was elected to fill the vacancy. Delicious refreshments were served by the hostess. The next meeting will be held at the home of Mrs. Williams on Tenth Street.

Burt Richardson, who is in the Naval Aviation Corps stationed at San Diego, was a week end guest at his home on Central Avenue. His brother, Will Richardson, who is stationed at Camp Lewis, arrived

Monday evening, and will spend a short furlough here.

There will be a Union Meeting, Sunday (tomorrow) evening, at the Methodist Church, which will be addressed by Colonel Blanche Cox, of the Salvation Army. Colonel Cox was for many years in India engaged in the missionary work. Since her return to the United States she has spoken in nearly all of the large cities. She is a fine speaker and a rare treat is in store for those who will attend. Special music will be furnished by a large Union Choir of the Presbyterian and Methodist churches. The public is cordially invited to be present.

Bible Study Class Block No. 1, will meet Monday evening at the home of Mrs. L. L. Baker, on Brand Boulevard. Bible Study Class Block No. 6 will meet at the home of Miss Sharp, 325 Cypress Street, Monday evening.

Mr. and Mrs. J. A. Culley of the Atwater Tract spent Sunday at San Pedro.

The Tuesday Afternoon Club gave an entertainment Tuesday evening in the Masonic Temple in honor of the husbands of its members. The program, which was in charge of Mrs. C. E. Harlan, was very entertaining and patriotic.

Mrs. F. Booth, of 429 Gardena Avenue, entertained Wednesday with a luncheon. Mrs. Nettie A. Harris, of Los Angeles.

LITTLE CHURCH OF THE FLOWERS SET APART FOR SACRED PURPOSE

The invitation to attend the dedication of the Little Church of the Flowers at Forest Lawn Memorial Park Sunday afternoon was largely accepted. Automobiles brought reverent, interested visitors from far and near to this beautiful city of the dead, where, the sting of death removed, peace and serenity reign in a lovely environment of grass, trees and flowers. The cemetery tract is a beautiful piece of ground rightly named "park," and its undulating surface reaching up into the hills has been improved in a manner calculated to bring out the natural beauty of the landscape.

The church is an exact counterpart of the old English Church wherein the Poet Gray wrote his immortal "Elegy Written in a Country Churchyard."

The buildings have been carefully placed and fit into their environment in a manner which emphasizes the woodland beauty of their setting and the note of peace which makes the atmosphere of the park.

The interior of the lovely little chapel is in keeping with its outward semblance, and is very satisfactory in all respects.

A magnificent pipe organ is soon to be installed and it is planned to have organ recitals each Sunday afternoon by well known artists.

The service was appropriate and beautiful. Music very properly had a large part in it. There was a beautiful vocal solo number by Miss Helen Newcomb and several selections by the Remick Male Quartet.

Dr. J. Whitcomb Brouger of Los Angeles made an eloquent address in which he dwelt on the symbolism of the chapel and the ideals it represents of Faith, Hope and Love.

The president of the Forest Lawn Association, Hubert L. Eaton, followed with an address in which he reviewed what had already been accomplished in the improvement of the park and stated it was the intention of the corporation to make it the most beautiful memorial garden in all California. He also spoke of the mausoleum, which is to be one of the

largest in the United States and the finest in every respect.

Rev. W. E. Edmonds of Glendale, made the invocation, which was fervent and uplifting.

It was a beautiful service and calculated to comfort those who mourn and those whose loved ones are sleeping beneath the turf of this beautiful park.

CUTTING-JOHNSON

Harry D. Cutting, of Long Beach, and Mabelle Johnson, of Ontario, were quietly united in marriage Tuesday afternoon at the Presbyterian Church, by Reverend O. P. Ryder.

Mr. Cutting was a resident of Tropic for several years, and while here he made a large number of friends. During the past year he has been employed by the Hotpoint Electric Company at Ontario, where he met Miss Johnson.

Immediately following the ceremony the young couple left for their home in Long Beach, where Mr. Cutting is now employed in the ship yards.

Efficiency means trading nearest to home.

FREEHOLDER'S CHARTER

The question of changing Glendale from a city of the sixth class, which it is at present, to a City which shall be conducted under its own freeholder's, or a Fifth Class City, charter, will again be brought before the voters of Glendale for their decision.

Due to the growth which this City has had since its incorporation in 1907 and with the recent annexations of territories and voters, the City Attorney was instructed at the last meeting of the City Trustees to prepare preliminary proceedings for a new charter.

At a prior election for the purpose of changing the plan of government for this city by adopting a new charter the voters turned the proposition down, but since that time there has been such an increase of voters within this city, and conditions have changed somewhat since that election it is quite probable that the voters at a next election will vote to make Glendale either a City of the Fifth Class or provide that it will be governed by a Freeholder's Charter.

The matter of the Charter being taken up at this time is so that if Glendale decides upon a new form of government, the action may be approved and confirmed by the next Legislature, otherwise the matter could not be settled for another three year's delay.

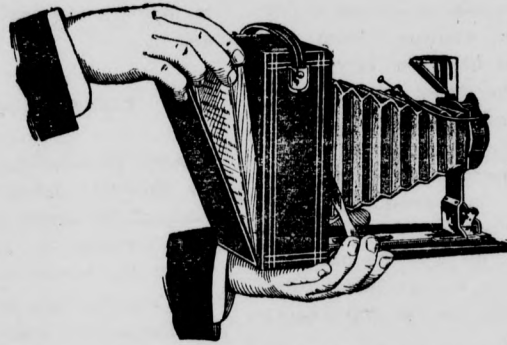

Mr. Joseph Spence, one of the Press force, will leave on Monday for Oakland, where the convention of the Knights of Pythias will be held. Mr. Spence goes as a delegate from Helmet Lodge in Los Angeles, and will be in the northern part of the state for a week.

In this great hour it is necessary that all women live greatly. At the battle front they have performed prodigies of valor and have been decorated with the Cross of War for heroism under fire. You too would like to drive an ambulance and bring out the wounded under shell fire, but the work behind the lines is even more important. It is not the single act of heroism that will win the fight, but the steady sticking to the job.

This year's campaign is a struggle of reserve against reserve; America is the last reserve; in overwhelming numbers our forces are being moved to the front; and behind the lines the women are asked to bring up their last reserves of energy and intelligence in the practical carrying out of food orders.

The food situation must steadily degenerate as long as the war lasts. It is therefore of prime importance to add every item to the total production. No woman with a foot of growing space at her disposal can afford to be merely a destroyer of rations, a dependent on the food supplies of a starving world. The Allied nations look to America for food. One object of the Food Administration is to bring as much food as possible under control and distribute these supplies where they are most needed.

America is today the careful guardian of the needs of the world. As the Food Administration anxiously counts the dwindling bushels of wheat, it asks of every woman "To what extent can you make your home independent of this common store?" To make the home as independent as possible of the common food pool from which the hungry world must be fed is woman's great task. This one thing you must do! drop every mortal thing and "carry on."

"The one sure way to supply the supreme need for food," reads a proclamation by Governor Bickett of North Carolina, "is to man the bread line with the woman power, the boy power and the girl power of the state."

War is an ugly thing, but a German peace is uglier—Russian farmers are producing German food.

In France all grain that can be used in bread making is reserved for human food.

"All the resources of the country are hereby pledged"—now is the time to work them to the limit.

PROCEEDINGS OF BOARD OF TRUSTEES

The Board of Trustees held their regular meeting on Thursday night, all members being present.

The minutes of the last regular meeting were read and approved.

A petition was presented signed by about fifty-six of the residents of Orange Grove Avenue protesting against the change of the name of that street. On motion, action in regard to the same was deferred until the next regular meeting.

On motion, the matter of a partially burned house on Columbus Avenue near Park Avenue was referred to the Building Inspector with instructions to abate the nuisance as soon as possible.

A communication was read from the City Attorney in reference to the request of the Board that he advise it as to any legal authority for the maintenance of a public playground, to the effect that in his opinion, the Trustees have authority to expend a reasonable and proper sum of money for the maintenance of such playground. On motion, referred to the Committee of the Whole.

A communication was presented from the City Attorney advising the Trustees as to the legal requirements in the matter of proceedings for the calling of an election and subse-

quently for the adoption of a charter for the city. The letter was accompanied by an ordinance which the City Attorney had prepared calling an election of the Board of Freeholders.

On motion this proposed ordinance was taken up for first and second readings and laid over for one week for the third and final reading.

The City Attorney reported that the case of Daisy Mason vs. the Trustees of the former City of Tropic, had been concluded by a decision in favor of the defendants.

Trustee Jackson made a report for the Public Welfare Department in regard to the dog pound, and on motion, it was ordered that the matter be left in the hands of the Committee to further investigate and make recommendation to the Board.

The Board adjourned at 9:10 P. M.

WHEATLESS RECIPES

POTATO YEAST BREAD

1 or 2 cakes compressed yeast.
1 cup lukewarm water.
4 teaspoons salt
3 tablespoons corn syrup
3½ cups mashed potatoes
7 cups flour (more or less may be needed.)

Mix as follows: Soften the yeast in the liquid and then add (1) salt, (2) syrup, (3) potato, and (4) enough of the flour to make a stiff dough. Mix and knead thoroughly. Let rise 3½ hours, or until double in bulk. Knead or cut down the dough, add the remaining flour, and let rise again until double in bulk (about 1½ hours).

Shape into loaves. Let rise in pans until double in bulk. Bake 50 minutes to 1 hour.

OATMEAL YEAST BREAD

1 quart water
1 or 2 cakes compressed yeast
4 teaspoons salt
3 tablespoons molasses
3 cups rolled oats
8 cups flour

Mix as follows: Soften the yeast in one-half cup of the water (lukewarm). Heat the rest to boiling, then stir in the rolled oats. Let it boil up once. Cool, add the salt and syrup and when lukewarm, add the softened yeast. Then add the flour to make a stiff dough. Follow the directions for kneading, rising and baking given for potato bread.

SEND YOUR FIELD GLASSES, SPY- GLASSES OR TELESCOPES TO WASHINGTON TO BE 'EYES' FOR THE FLEET

The Navy needs these "eyes" to de-
rive the submarine of its sting and it
has requested the California State
Council of Defense to help it obtain
them. Commissioning hundreds
of new ships for naval service has
created a demand for observation
glasses far in excess of the present
American output. The only way to
insure an adequate supply while the
manufacturers of lenses are speeding
up production is by appealing to the
patriotism of private owners.

The Government pays a nominal fee
of \$1.00 for each glass accepted and
the donor is further rewarded by
knowing that his patriotic contribu-
tion may be the means of saving
thousands of troops in transport and
also of saving much-needed shipping
from destruction.

Old, scuffed telescopes or field
glasses may possess first class lenses,
so don't be chary about forwarding
them regardless of appearance.
